9) Stop at **Estoril** and free walk in the Casino Gardens (The biggest Casino in Europe)

Return to **Lisbon** along the coastline, with views along the sea

COST: Guide, bus and admissions to Regaleira and Pena Palace & Gardens \$60

FULL DAY PORTUGAL TOUR – OBIDOS, BATALHA & TOMAR

Saturday, May 19th

Obidos

This is another fantastic day. We start with Obidos, a very nice little village, with narrow streets and with a nice castle. It is just one hour from Lisbon. All the city is built inside the small village, inside the walls. There castle is the main attraction but also the shops. We will visit the castle and then some free time for shops.

1h30m estimated time here

http://en.wikipedia.org/wiki/%C3%93bidos,_Portugal

Pictures: <http://bit.ly/ZxSv5N>

45min

Batalha

Batalha Monastery is a world heritage site. The Monastery of the Dominicans of Batalha was built to commemorate the victory of the Portuguese over the Castilians at the battle of Aljubarrota in 1385. It was to be the Portuguese monarchy's main building project for the next two centuries. Here a highly original, national Gothic style evolved, profoundly influenced by Manueline art, as demonstrated by its masterpiece, the Royal Cloister.

Pictures: <http://bit.ly/X0675D>

Batalha Monastery: <http://www.mosteirobatalha.pt/en/>

Stop for lunch near the Monastery around 1h30 PM

Departure at 2h30PM to Tomar. Will take around 45min

Tomar

Tomar is the jewel in the crown of Central Portugal. It is a magical city bursting with handsome architecture and historical significance. Visitors from Portugal and overseas arrive throughout the year to stay in its [charming hotels](#), sample its tasty [regional cookery](#), visit its famous [monuments](#) and explore the lush green mountains that surround the city. Stop at Tomar and visit the Castle and the Christ Convent

1h30m estimated time at this location.

Tomar Castle: http://www.conventocristo.pt/en/index.php?s=white&pid=185&identificador=ct114_pt

Christ Convent: <http://www.conventocristo.pt/en/index.php?s=galeria&galeria=22>

COST: With bus, guide and admission fees - \$60

Monday, May 22nd - Terceira

JEEP TOUR (FULL DAY) tour around the island visiting the main points of interest.

Visit to the whale look-out, at Monte Brasil, an extinct volcano south of Ilha Terceira, with Angra's Bay to the east, and Baía do Fanal to the west. From the top of this mountain you can enjoy the magnificent view of the World Heritage city. Afterwards, we visit the Serra da Ribeirinha, where you can see the Ilhéus das Cabras and Angra do Heroísmo from a different perspective. We then leave for the viewpoint of Serra do Cume, with a view of a vast plains divided by the pastures, known as the 'Manta de Retalhos', in other words, patchwork blanket and Praia da Vitória, with a visit to the viewpoint of Serra do Facho, with an exceptional panoramic view of the city. Regional lunch at a local restaurant in Angra do Heroísmo. After lunch, we proceed to the Furnas do Enxofre, a secondary volcanic phenomenon in an area that consists of various volcanic gas leaks, and visit the only visitable volcano in the world, Algar do Carvão. We then cross through the interior of the island, between cryptomeria forests and endemic vegetation, passing through the Biscoitos da Ferraria and Pico Alto Nature Reserves until we reach the natural pools of Biscoitos, formed by basalt. Following the west side of the island and stopping various viewpoints, we arrive at the last point of interest, the cheese factory, Queijo Vaquinha, where you can try various types of cheese and wine of the Azores. Return to Angra do Heroísmo.

<http://aguiaturazores.com/site/jeep>

Note:- Entry in Algar do Carvão is optional, and fees are not included in the pricing.

\$70 per person (with regional lunch included)

OR

QUAD BIKE TRAILS (HALF DAY) ATV tour (approximately 3 hours) –

With this tour you will have a tour guide that will lead the group until some of the most beautiful landscapes of the interior of the island through some of the countryside.

<http://aguiaturazores.com/site/quad>

Visit to the whale look-out, at Monte Brasil, an extinct volcano south of Ilha Terceira, with Angra's Bay to the east, and Baía do Fanal to the west. Passage through the Caldeira Guilherme Moniz and the Geological Nature Reserve Algar do Carvão. After that, crossing through the interior of the island, between cryptomeria forests and endemic vegetation, passing through the Biscoitos da Ferraria and Pico Alto Nature Reserves. Following the west side of the island and stopping various viewpoints, we arrive at the last point of interest, the cheese factory, Queijo Vaquinha, where you can try various types of cheese and wine of the Azores. Return to Angra do Heroísmo.

Maximum capacity 5 ATV's (10 people) each trip.

\$80 for 1 person in 1 ATV, \$60 pp to share.

Tuesday, May 23rd - Terceira

WHALE AND DOLPHIN WATCHING—9am – 12pm (approximately 3 hours)

Because it is located in the middle of the Atlantic Ocean, the Azores find themselves in the migratory route of many cetaceans, which makes it one of the best places in the world for whale and dolphin watching.

Before leaving to sea, there is a brief explanation, by a marine biologist, about the species you can find on the trip, safety measures and rules of conduct about whale watching. After the briefing, the group proceeds to boarding and leaves to the south of the island to observe whales and other aquatic animals. This trip will have the cooperation of a look-out on land, in a strategic point, with the objective of communicating directly with our boats that will lead the passengers to watch these animals up close. <http://aguiaturazores.com/site/whalewatching> \$60 per person

CAVES - Visit to the caves Algar do Carvão, Furnas do Enxofre and Gruta do Natal

2:30 p.m – 5:30 p.m (approximately 3 hours)-

<http://aguiaturazores.com/site/grutas>

You can do both the whale watch and this tour today since this one starts at 2:30 pm. First we leave Angra do Heroísmo and stop at the viewpoint of the Veredas, with an exceptional panoramic view of Terra-Chã and Serra de Santa Bárbara. We then proceed to the Gruta do Natal, an important geological formation formed by lava tunnels with various ramifications, with its main tunnel extending over 697 meters in length. In the exterior support house you can enjoy the Lagoa do Negro. The next stop consists in the most important fume field in Terceira island, the Furnas do Enxofre, a secondary volcanic phenomenon in an area that consists of various volcanic gas leaks and steam. The excursion continues to the only visitable volcano in the world, Algar do Carvão. This volcanic cavity is around 100 meters deep and has siliceous formations and basaltic products.

\$45 per person with entrances included

Tuesday, May 23rd - Terceira

We also have the following adventure tours you can choose from. This company that was ranked #1 on Tripadvisor for things to do on Terceira Island. You can choose one of the 2 tours today. If you want to do the whale watching tour in the morning you can still pick either the canyoning or coastering tours in the afternoon.

CANYONING

[More Info](#)

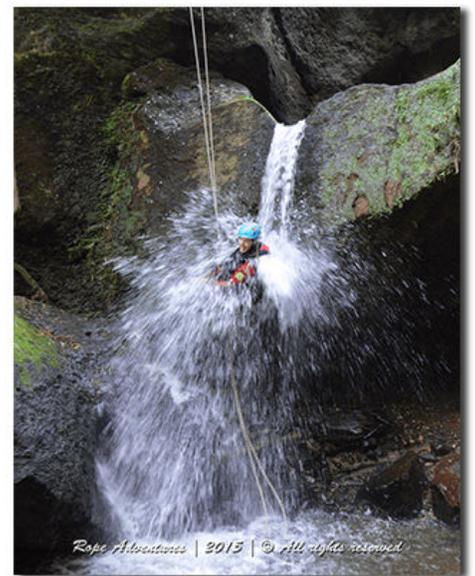

Canyoning consists of descending stream and vertical obstacles, with technical rope maneuvers such as classic rappel, guided rappel, and zip lines. Canyoning can also include jumping into water (optional) or even toboggans (natural slides formed by water erosion on the rocks)! Canyoning is ideal for all ages, groups, and events (birthdays, bachelor/bachelorette parties, work groups, scouts, etc.)!

Rope Adventures | 2015 | © All rights reserved

**SNACKS
INCLUDED**

Rope Adventures | 2015 | © All rights reserved

Maximum pax - 12

Price/pax - \$45 (regular price \$60)

COASTEERING

[More info](#)

Coasteering is a sport that was popularized in the United Kingdom. It consists of exploring the coast, rocks and sea, using walking, swimming, and jumping into the water.

On Terceira, there are two perfect spots to practice this activity. The water is crystal clear and the temperatures get close to 70°F in the summer. In these perfect spots, you can experience animal life and explore some of the many caves that Terceira has to offer.

Coasteering must be performed with specific gear and under the supervision of an experienced guide.
