

SHOULD I UPGRADE ON THE CRUISE?

This document is meant to give you more information on our cruise and the two categories we have on our ship, the Majesty.

Our categories are XDO which is called their Superior category and the XGO which is considered their Deluxe category. So it's the XGO that is the larger of the two cabins which makes it the upgrade. The square footage of the XDO is 10,12 sq. m. The XGO is 13,20 sq.m.
